<b>Embossing</b>	Overall		
<b>Attached Pad</b>	No		

## ANTI-MICROBIAL FINISH

Our finish is enhanced with Nano-silver particles that kill bacteria and inhibit the growth of new bacteria on the flooring surface.

## WATERPROOF

Made for projects that include areas which are commonly exposed to topical moisture. It is ideal for wet areas such as kitchens, bathrooms, break rooms, common areas, and basements. This product is unaffected by seasonal changes in relative humidity (RH) which can damage other types of flooring over time.

## EXCEPTIONAL VALUE

Luxury Vinyl flooring is available in both plank and tile formats giving you the look of high end hardwood, tile, and stone at a fraction of the cost.

FloorScore conforms with the strictest VOC and indoor air quality requirements

## CUSTOMIZABLE

Luxury Vinyl flooring can be chosen to suit a wide range of applications by selecting the appropriate wear layer and overall thickness to meet a projects needs.

## LOW COST MAINTENANCE

UV cured Polyurethane finish requires no special maintenance procedures or equipment.

# THE SKYLINE SERIES

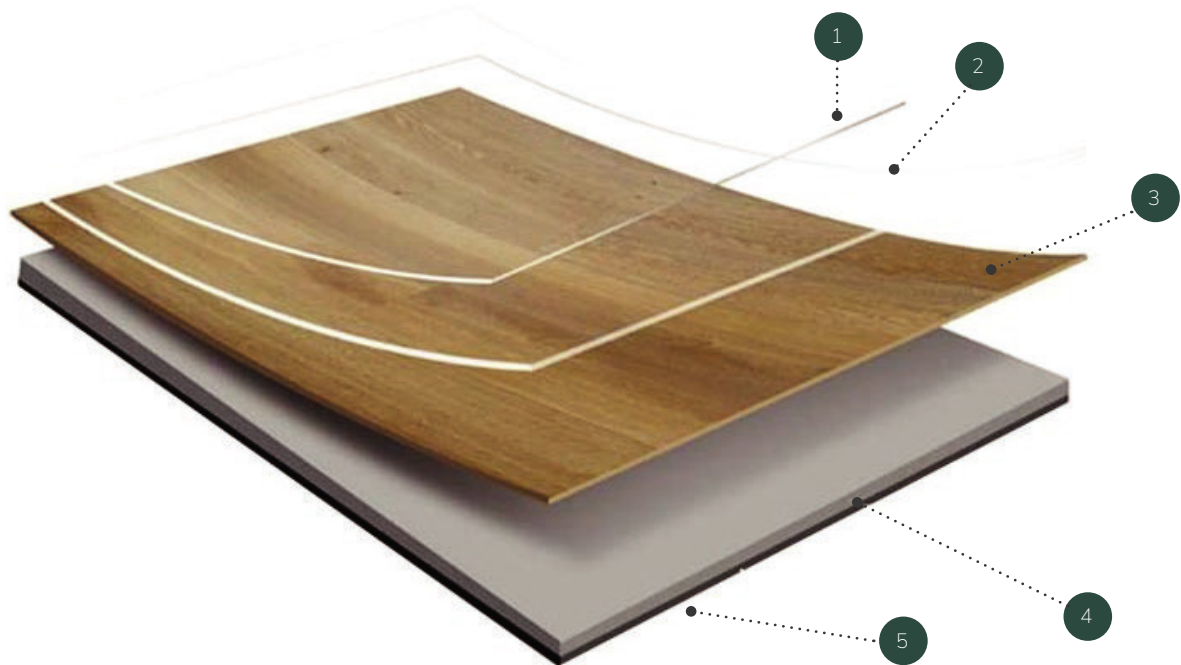

gives you the edge to create the perfect flooring for your project. Our team will work to determine your needs, then suggest the ideal construction to exceed your expectations. All Skyline colors can be produced in any of the following constructions:
