

Description: HDPC Caliber Plank flooring is produced using Wellmade's patented (China) Pat, Pending (USA) High Density Plastic Composite Core (HDPC®). HDPC Caliber Plank flooring also exceeds the performance of standard vinyl flooring and is Greenguard Gold certified which enhances LEED credits. Our HDPC core remains stable and performs on any level of the home or office.

Construction: Co-Extruded PVC (film, core, backer)

Dimensions: 2mm-12mil/2mm X 6.22" X 48.03"
3mm- 20mil/3mm x 6.14" x 48.03"

Installation: Glue down

Packaging: 2mm- 14 pcs/box=29.05sf
3mm- 18 pcs/box, 36.88sf

Warranty: 2mm- 20 year residential / 3 year light commercial
3mm- Lifetime residential / 15 year light commercial

Testing:	ASTM E90-2009/ASTM E413-10	STC	62
	ASTM E492-09/ASTM E989-12	IIC	53
	ASTM E2179-2003/ASTM E989-12	Delta	3
	ISO 4918:2009	Caster Chair (25000r)	Pass
	Phthalates		ND (Not Detected)
	ASTM F2055-17	Size, tolerance	
		Length	-0.50mm
		Width	0.01mm
	ASTM F386-17	Thickness, product-tolerance	0.09mm
	ASTM F410-08	Thickness, wear layer-tolerance	0.00mm
	ASTM F2055-17	Squareness-average	0.03mm
	ASTM F1914-17	Residual indentation-average	1.5%
	ASTM F137-08(2013)	Flexibility	No crack/No break
	ASTM F2199-09	Dimensional Stability	
		Length	-0.07%
	Width	0.03%	
ASTM F925-13	Resistance to chemicals	No change	
ASTM F1515-15	Resistance to light	Pass	
ASTM F1514-03(2013)	Resistance to heat	Pass	

Country of Origin: Made in China
