

WATERPROOF HARDWOOD LAYERS

1

PROTECTIVE COATING

Durable and scratch resistant PowerShield Finish seals and protects wood surfaces from spills and stains

2

REAL WOOD VENEER

Hardwood veneer eliminates pattern repeats found in vinyl and laminate flooring

3

SPC CORE

Strong, Rigid, and 100% Waterproof SPC core installs without acclimation

4

LOCKING SYSTEM

Planks lock together and require no glue or nails for installation

5

SOUND LAYER

Attached foam under cushion decreases sound reflection and transmission
